Wedding Season. (L to R) Suraj Sharma as Ravi, Pallavi Sharda as Asha in Wedding Season is a new Netflix rom-com coming your way later this week. Here's why you should be tuning in! First, the film has a tried-and-true premise we know you can't get enough of—the pretend-lovers-turned-to-true-

lovers trope! Check out the official logline via Netflix Media Center below: Pressured by their parents to find spouses, Asha and Ravi pretend to date in order to survive a summer of weddings—but find themselves falling for each other as they struggle to balance who they are with who their parents want them to be. Aside from the super-cute synopsis, the Wedding Season's is yet another reason why missing out on this 2022 title is a no-no. Don't believe us? Then keep reading to be blown away by all the stars in this romantic comedy. Wedding Season castTom and Jerry actress Pallavi Sharda stars as Asha, the female lead in Wedding Season. Alongside Sharda is Life of Pi actor Suraj Sharma who will be playing Ravi, the male lead. Ravi is the complete opposite of Asha, as he likes to keep it chill and go with the flow. When he comes across the highstrung hard worker, he teaches her a thing or two about just letting love lead the way. We wonder where his own advice will take him! In addition to these oil and water characters, the cast of Wedding Season features: Rizwan Manji as VijayVeena Sood as SuneetaArianna Afsar as PriyaManoj Sood as DineshSean Kleier as NickDamian Thompson as JamesSubhash Santosh as DarshitJulius Cho as YoshiSonia Dhillon Tully as VeenaRuth Goodwin as TinaRakhee Morzaria as RupaNatasha Krishnan as LaxmiMeher Pavri as PihuGauri Prasad as SheelaSee Prasad and the rest of this stellar cast in the official trailer for Wedding Season right here!Our final reason why you should catch this Netflix movie is, well, because it releases this week!
